SPECIAL TO CANSTAR

All Canadian Renovations Ltd. has built a solid foundation based on more than 35 years of experience in making home renovation dreams come true.

The full-service renovator handles every aspect of the project from floor to ceiling, specializing in kitchens, bathrooms, basements, additions and exterior work.

The locally owned and operated business works hand-in-hand with other industry experts including architects, engineers, designers and developers.

The sales and management team consists of Curtis Breslaw, Werner Peters, Mike Kerr and Tony Teunis, who always respect the

trust that homeowners give to them. And the end results speak for themselves, bolstered through a long list of testimonials from contented customers.

The local business employs its own talented team of designers and tradespeople, which allows the clients to deal only with the renovation consultant. As a result, the clients enjoy a hassle-free experience without having to liaise with the many different experts who are involved in the project.

At the same time, the award-winning company works with customers throughout the entire renovation process, walking their clients through the many decisions involved. The company is accredited as a certified master renovator, so the experts at All Cana-
